NOTICE OF PROPOSED ACTION

September 12, 2006 - Web Posting Date

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes. The Administrator has received a complete application for a zero-discharge permit, NEV2006508, from the following applicant:

Bill Artamenko
Yaweh Farms
1491 Lower Honcut
Oroville, CA 95966

The Applicant proposes to construct and operate a dewatering facility to dewater a maximum of 50,000 gallons per day of domestic septage at Yaweh Farms. The domestic septage will be dewatered by gravity filtration. All filtrate will be transferred to permit NEV2004522 for use in the vermiculture process, transferred to other permitted facilities, or evaporated. Up to 11,000 wet tons of solids per year may be transferred to NEV2004522. Dewatered septage may also be transferred to other permitted facilities. The facility is proposed to be located 3 kilometers west of Toulon on the south side of Tomi Road, Pershing County, Nevada.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes, as amended, and implementing regulations, the Administrator proposes to issue the permit to discharge, NEV2006508, for a five (5) year period subject to certain effluent limitations.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding the permit or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control should submit their comments or request, in writing, within thirty (30) days either in person or by mail to:

Department of Conservation and Natural Resources
Division of Environmental Protection
Bureau of Water Pollution Control
901 South Stewart Street, Suite 4001
Carson City, Nevada 89701-5249

Comments or objections must be received within the thirty (30) day comment period, which begins on the date of this publication. Comments and/or hearing requests postmarked or received via facsimile or e-mail before 5:00 PM October 13, 2006 will be considered in the formulation of final determination(s) regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a

public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.

The application, proposed permit, comments received, and other information are on file and may be copied or copies may be obtained by writing to the above address or by calling Bruce Holmgren of the Bureau of Water Pollution Control at (775) 687-9423, or at bholmgre@nedp.nv.gov.
